

Digital Library Cards

Prefer to store your library card on your phone?

1. Loyalty Card App Setup:

- Download the recommended app "Stocard" from the app store on your phone.
- Choose add card.
- Follow instructions to scan your card's barcode.
- Enter Fairhope Public Library as the store name and save.
- When checking out simply open the Stocard app on your phone, choose the Fairhope Public Library card and present to the Circulation Staff or scan barcode at the self-checkout kiosk.

2. OR use a Picture of Library card:

- Lay library card on a flat surface with barcode facing up.
- Take a picture of your library card barcode. Make sure you have good lighting for the photo.
- Present picture of library card at the Circulation Desk or scan card at the self-checkout kiosk.
