Creation Station

All day, every day!
Fun crafts change often.

Closing Early...

Monday, Feb. 12 at 5pm

ABOUT OUR PROGRAMS

Free Build

Our Activity Room will be open and stocked with Lincoln logs, blocks, LEGOs, and more. This is unstructured free play and exploration. Parents are required to directly supervise their children and help clean up. Stop by and see what you can build!

Toddler Storytime

This storytime is for all of the roamers, movers, and shakers! The program lasts 30-40 minutes, with about 15-20 minutes dedicated to reading, rhyme, and music, and 20 minutes dedicated to play and socialization or crafts and coloring.

Big Kid Storytime

This is a story hour filled with rhymes, music, games, and crafts. Our goal here is to have fun while learning to be a good audience member and developing a love of reading. We'll read a story and work on a themed craft or game

After School Art

Join Ms. Grace for an afternoon of arts and crafts. Each month is a new art project, of all shapes and sizes. All art supplies are provided free.

After School STEM

Join Ms. Grace for an afternoon of creativity and fun. Each meeting focuses on experimenting, playing around with both new and old ideas, and making connections! All supplies are provided for free.

Baby Storytime

This storytime is for our lap-sitters and crawlers. The program lasts approximately 30 minutes, with about 10-15 minutes dedicated to reading and rhyme, and 20 minutes dedicated to tummy time/ floor play or socialization for parents and babies!

Homeschool Hour

We will explore a new topic every week, followed by a hands-on craft or STEAM based activity. The idea is to explore fun topics in a laid-back, relaxed setting – the perfect place to make new friends!

Lego Club

Do you love LEGOs? So do we! Kids ages 8-12 can come to the Activity Room for collaborative play and building, working toward our very own LEGO brickfilm, filmed by our FHPL builders!
