All events take place in the Activity Room unless stated otherwise

ABOUT OUR PROGRAMS

FREE BUILD

Our Activity Room will be open and stocked with Lincoln logs, blocks, LEGOs, and more. This is unstructured free play and exploration. Parents are required to directly supervise their children and help clean up. Stop by and see what you can build!

TODDLER STORYTIME

This storytime is for all of the roamers, movers, and shakers! The program lasts 30-40 minutes, with about 15-20 minutes dedicated to reading, rhyme, and music, and 20 minutes dedicated to block play and socialization or crafts and coloring.

BIG KID STORYTIME

This is a story hour filled with rhymes, music, games, and crafts. Our goal here is to have fun while learning to be a good audience member and developing a love of reading. We'll read a story and work on a themed craft or game.

MOUSE HOUSE BUILD

We're bringing back the Mouse Houses! Come prepared to decorate a tiny house, fit for a mouse. The build will take place over three Tuesdays, and we will provide the houses and craft and art supplies, completely free!

READER'S THEATER

Join Ms. Stephanie for a time of theatrical fun for ages 8-12! We will become characters from a different book each week by making puppets, practicing our roles, and then creating our very own puppet theater! There is no need to memorize as we will read right from the script.

CRAFTER'S CLUB

Crafter's Club is for those that love to create through crafting. Everyone will make something of their very own and get to take it home with them. Come and enjoy a time of conversation and creation! All supplies are provided free of charge.

BABY STORYTIME

This storytime is for our lap-sitters and crawlers. The program lasts approximately 30 minutes, with about 10-15 minutes dedicated to reading and rhyme, and 20 minutes dedicated to tummy time/floor play or socialization for parents and babies!

HOMESCHOOL HOUR

We will explore a new topic every week, followed by a hands-on craft or STEAM based activity. 8-12 years will learn with Ms. Stephanie, while 13+ split off with Ms. Allyson. Activities will be available for siblings 7 and under in the E room.

OUTDOOR STORYTIME

Join Ms. Grace behind Fairhope Public Library during the City of Fairhope's Farmer's Market for a very special storytime and activity!

LEGO CLUB

Do you love LEGOs? So do we! Kids ages 8-12 can come in every 1st and 3rd Thursday for collaborative play and building. Create your own castle, spaceship, or even a LEGO Brickfilm with your friends.

CHESS CLUB

Do you enjoy playing or want to learn how to play chess? Bring your friends and join us every 2nd and 4th Thursday of the month to have fun and play chess together!

ART LAB

We provide the supplies, and you provide the creativity! Art Lab is an unstructured program dedicated to artistic expression. YOU decide what to make.
