

Digital Library Cards

Prefer to store your library card on your phone?

Take a Picture of Library card:

- Lay library card on a flat surface with barcode facing up.
- Take a picture of your library card with your phone. Make sure you have good lighting for the photo.
- Best practice is to align your camera directly above the card with the entire card in the frame.
- Present picture of library card at the Circulation Desk or scan card at the self-checkout kiosk.
