Hi parents, grandparents, and other caretakers! We are working on improving our program schedule to provide the best service we are able to our community. You can help us by taking a few minutes and filling out this anonymous survey to the best of your ability. Show the completed survey to a staff member to be entered to win a prize!

Paper copies of the survey are available in the Youth Services section of the library

ABOUT OUR PROGRAMS

Free Build

Our Activity Room will be open and stocked with Lincoln logs, blocks, LEGOs, and more. This is unstructured free play and exploration. Parents are required to directly supervise their children and help clean up. Stop by and see what you can build!

Toddler Storytime

This storytime is for all of the roamers, movers, and shakers! The program lasts 30-40 minutes, with about 15-20 minutes dedicated to reading, rhyme, and music, and 20 minutes dedicated to play and socialization or crafts and coloring.

Big Kid Storytime

This is a story hour filled with rhymes, music, games, and crafts. Our goal here is to have fun while learning to be a good audience member and developing a love of reading. We'll read a story and work on a themed craft or game

Reader's Theater

Join Ms. Stephanie for a time of theatrical fun for ages 8-12! We will become characters from a kid's book by making props and practicing our roles! There is no need to memorize as we will read right from the script.

Baby Storytime

This storytime is for our lap-sitters and crawlers. The program lasts approximately 30 minutes, with about 10-15 minutes dedicated to reading and rhyme, and 20 minutes dedicated to tummy time/ floor play or socialization for parents and babies!

Homeschool Hour

We will explore a new topic every week, followed by a hands-on craft or STEAM based activity. 8-12 years will learn with Ms. Stephanie, while 13+ split off with Ms. Allyson. Activities will be available for siblings 7 and under in the E room.

Lego Club

Do you love LEGOs? So do we! Kids ages 8-12 can come in every 1st and 3rd Thursday for collaborative play and building. Create your own castle, spaceship, or even a LEGO Brickfilm with your friends.

Chess Club

Do you enjoy playing or want to learn how to play chess? Bring your friends and join us every 2nd and 4th Thursday of the month to have fun and play chess together!
