ABOUT OUR PROGRAMS

Free Build

Our Activity Room will be open and stocked with Lincoln logs, blocks, LEGOs, and more. This is unstructured free play and exploration. Parents are required to directly supervise their children and help clean up. Stop by and see what you can build!

Family Game Time

Bring your family and friends and enjoy our new program! We'll get out board games, puzzles, chess, checkers, and more for you to enjoy with the people you love!

Toddler Storytime

This storytime is for all of the roamers, movers, and shakers! The program lasts 30-40 minutes, with about 15-20 minutes dedicated to reading, rhyme, and music, and 20 minutes dedicated to play and socialization or crafts and coloring.

Big Kid Storytime

This is a story hour filled with books, games, and crafts. Our goal here is to have fun while learning to be a good audience member and developing a love of reading. We'll read a story and work on a themed craft or game

Afternoon Free Build

Come to the library for an extra special Free Build after school! Create a Lego sculpture, a block tower, or a magnetic train! It's all up to you!

Easter Movie

Join us in the Activity Room for Rise of the Guardians! Bring yourself, and/or your favorite movie watching friends and get ready to watch some Jack Frost-y Easter shenanigans!

Reader's Theater

Join Ms. Stephanie for a time of theatrical fun for ages 8-12! We will become characters from a kid's book by making props and practicing our roles! There is no need to memorize as we will read right from the script.

Crafter's Club

Crafter's Club is for our craftier tweens. Everyone will make something of their very own and get to take it home with them. Come and enjoy a time of conversation and creation! All supplies are provided free of charge.

Baby Storytime

This storytime is for our lap-sitters and crawlers. The program lasts approximately 30 minutes, with about 10-15 minutes dedicated to reading and rhyme, and 20 minutes dedicated to tummy time/ floor play or socialization for parents and babies!

Homeschool Hour

Come and join us as we learn and create with our friends. For ages 8-12 we will meet in the activity room, and ages 3-7 can enjoy a fun activity in the E-room.

Lego Club

Do you love LEGOs? So do we! Kids ages 4-12 can come in every Thursday for collaborative play and building. Create your own castle, spaceship, or even a LEGO Brickfilm with your friends. Parents MUST stay with children 6 and younger

Outdoor Storytime

Join Ms. Grace behind Fairhope Public Library during the City of Fairhope's Farmer's Market for a very special storytime and activity!
