All events take place in the  
Activity Room unless stated  
otherwise

# ABOUT OUR PROGRAMS

## FREE BUILD

Our Activity Room will be open and stocked with Lincoln logs, blocks, LEGOs, and more. This is unstructured free play and exploration. Parents are required to directly supervise their children and help clean up. Stop by and see what you can build!

## TODDLER STORYTIME

This storytime is for all of the roamers, movers, and shakers! The program lasts 30-40 minutes, with about 15-20 minutes dedicated to reading, rhyme, and music, and 20 minutes dedicated to block play and socialization or crafts and coloring.

## BIG KID STORYTIME

This is a story hour filled with rhymes, music, games, and crafts. Our goal here is to have fun while learning to be a good audience member and developing a love of reading. We'll read a story and work on a themed craft or game

## LEGO CLUB

Do you love LEGOs? So do we! Kids ages 4-12 can come in every Wednesday for collaborative play and building. Create your own castle, spaceship, or even a LEGO Brickfilm with your friends. Parents MUST stay in the room with children 6 and younger

## BABY STORYTIME

This storytime is for our lap-sitters and crawlers. The program lasts approximately 30 minutes, with about 10-15 minutes dedicated to reading and rhyme, and 20 minutes dedicated to tummy time/floor play or socialization for parents and babies!

## HOMESCHOOL HOUR

Come and join us as we learn and create with our friends! For ages 8-12 we will meet in the activity room, and ages 3-7 can enjoy a fun activity in the E-room.

## PERLER BEADS

Create your own pixel art! Ages 8-12 can join us in the activity room for fun with perler beads.

## TWEEN BREAKOUT!

Ages 8-12 can join us in the activity room for a fun escape-room style puzzle. Work together to solve the puzzle before the time runs out!

## ART CLASSES WITH EASTERN SHORE ART CENTER

Made possible by the Community Foundation of South Alabama Grant.

Join an Eastern Shore Art Center artist for a weekly art class for kids ages 7-12! Each week will feature a different art project for you to take home. Registration will open up at the beginning of each month for the classes in the following month. (For example, registration for March classes opens at the beginning of February)

## LEGO BUILDING COMPETITION

Test your Lego-building skills at our building competition! You'll have an hour and a half to create a spring-themed masterpiece for our community to vote on! The winner will receive an awesome prize!
