Our Mouse Houses are back! This year, kids of all ages can join our Mouse House Building Competition by picking up a house at the library **starting Monday, 11/9** or using a box of your own!

On **Monday, 11/16, 3:15-4:45**, come to the library after school for an optional **Mouse House Workshop!** Work on your Mouse House, listen to some holiday tunes, and pick from a wide variety of crafting supplies. All supplies are provided completely free, and the program is come-and-go.

Entries must be submitted by Tuesday, 12/1. Voting runs from 12/2 to 12/12. Entries will be displayed in the Youth Department, and voting will be available in person or on the Youth Services Facebook.

The winners will be notified the Monday after voting ends. Entrants can pick up their houses between 12/14 and 12/19

ABOUT OUR PROGRAMS

FREE BUILD

Our Activity Room will be open and stocked with blocks, LEGOs, and more. This is unstructured free play and exploration. Parents are required to directly supervise their children and help clean up. Stop by and see what you can build!

POKEMON CLUB

Calling all Pokémon fans! Join us once a month to watch cartoons, trade cards, play the Pokémon TCG, or do Pokémon-themed crafts and activities! Meet other kids who love Pokémon too!

TODDLER STORYTIME

This storytime is for all of the roamers, movers, and shakers! The program lasts 30-40 minutes, with about 15-20 minutes dedicated to reading, rhyme, and music, and 20 minutes dedicated to play and socialization or crafts and coloring.

BIG KID STORYTIME

This is a story hour filled with books, games, and crafts. Our goal here is to have fun while learning to be a good audience member and developing a love of reading. We'll read a story and work on a themed craft or game

LEGO CLUB

Do you love LEGOs? So do we! Kids ages 4-12 can come in every week for collaborative play and building. Create your own castle, spaceship, or even a LEGO Brickfilm with your friends. Parents **MUST** stay in the room with children 6 and younger

BABY STORYTIME

This storytime is for our lap-sitters and crawlers. The program lasts 40-45 minutes, with about 10-15 minutes dedicated to reading and rhyme, and the rest dedicated to tummy time/floor play or socialization for parents and babies!

HOMESCHOOL HOUR

Come and join us as we learn and create with our friends! This is a great way to meet other homeschool families. Each week we do a different project, from STEM to art to puzzles and ciphers!

OUTDOOR STORYTIME

Join us behind Fairhope Public Library during the City of Fairhope's Farmer's Market for a very special storytime and activity!

Fairhope's Farmer's Market will go through November 12

BOOK CLUB

We will pick a topic and you pick your own book! This meeting's topic is Comedy, so bring a book that made you laugh! Come ready to talk about it and do a fun activity!

ART CLASS

Join an Eastern Shore Art Center artist in the Fairhope Library Makerspace for an awesome art class! We provide all materials, and the class is completely free! Registration will open up the Monday before the art class.
